

Riccarton Bush-Kilmarnock Residents' Association

Regarding the requirement that representatives presenting on behalf of residents' associations provide a written authorisation, we trust this below will suffice.

I am Chair of our association and have been delegated by our committee (cc'd in here) to represent the association before the IHP.

We are an incorporated society with 202 financial members

Our lay witnesses are all members.

The area we represent is described on the attached map.
